### **About Overhead Door:**

# Overhead Door Company - Joliet, IL

Overhead Door Company of Joliet (formerly Middleton Overhead Doors) is a locally owned and operated garage door service provider that has been serving Joliet, IL and surrounding communities since 1978.

Founded by Mark Middleton out of a two-car garage, the company quickly outgrew its initial location as demand grew for its services. In 1984, Mark rented a building on Jefferson Street and brought his father Bill on board to assist with sales. Continued success allowed Overhead Door Company to move to its current facility on Meadow Avenue in 1987.

In 1994, the company became a brand distributor for **Overhead Door™**, a leading manufacturer of residential and commercial garage doors and openers. Mark's son Matt joined Overhead Door Company in 2001, continuing the family-owned business into a new generation.

## Garage Door Installation

Overhead Door Company offers complete garage door installation services for both residential and commercial customers in Joliet, IL and nearby areas. Our expert technicians will help you select the perfect garage door to match your home or business's architectural style and meet your unique functional requirements. We carry a wide selection of garage door models and materials from trusted brands like Clopay, Amarr, and CHI.

Whether you need a basic single-car garage door or a one-of-a-kind custom carriage house style door, our experienced installers have the product knowledge and expertise to get the job done right the first time. We handle the entire installation process including removal of old doors, proper disposal, new door setup, opener installation, and testing.

## **Garage Door Repair**

Don't put up with a garage door that sticks, drags, or doesn't open properly. The technicians at Overhead Door Company of Joliet have the skills to diagnose and repair any issue with your residential or commercial garage door. We are familiar with major brands and offer repairs for:

- Broken torsion springs
- Snapped cables
- Bent or dented tracks
- Noisy rollers
- Faulty openers
- And more

With most parts stocked on our service trucks, we can often complete repairs during the same day's service call. Our goal is always to get your garage door functioning safely and smoothly again as quickly as possible.
